OVERVIEW

Yaël is a member of the Professional Liability Department where she concentrates her practice on insurance defense litigation, representing both insurers and insureds in state and federal courts in Pennsylvania. Yaël devotes a large portion of her practice to defending insurance coverage, bad faith, automobile liability, uninsured/underinsured motorist claims and first-party property litigation. While her practice is largely focused on these areas, Yaël also handles legal malpractice, disciplinary, civil rights, employment law, and education matters including the defense of harassment, bullying, discrimination and retaliation claims.

Yaël received her *juris doctor* degree from Widener University Commonwealth Law School, in Harrisburg, Pennsylvania, in 2021. While in law school, Yaël was a certified legal intern at the Central Pennsylvania Law Clinic representing indigent clients in civil matters. Prior to that, she received her undergraduate degree in French and Common Law from the University Paris Nanterre in France which sparked her interest in American law.

Outside of the office, Yael devotes a portion of her time as a volunteer for the Wills for Heroes Program which provides pro-bono estate planning services to first responders, military veterans and their spouses/partners.
